The President,
Association of Multimodal Transport Operators of India
Sirs,

**Sub: Storage facilities for import/export cargo
by erection of temporary sheds.**

Ref : Circular No. TM/D/4-3/23 dated 22.08.2012.

In the past, some of the regular Port Users and their Associations had requested for allowing them to construct temporary sheds on their own in the open areas, for use as covered accommodation on common user basis. Accordingly, request of Port Users was acceded and by circular No. TM/D/4-3/23 of 1995-96 dated 22.08.2012, Trade was informed the salient features for temporary shed and conditions to be complied by the Port Users for erection of temporary sheds.

2. So far, permission for construction of temporary sheds at their own cost was granted to Importer/Exporter/CHB only, in line with the provisions of abovesaid circular. Of late, there is a demand from Vessel Agent / Shipping Agent to permit them for erection of temporary sheds for storage of cargo. Also, with port handling large quantities of pulses, sugar, CR coils, Gypsum, MOP, there is a spurt in demand for more covered storage areas. Accordingly, the facility for erection of temporary sheds permitted to Importer/Exporter/CHBs is now being extended to Vessel Agents/ Shipping Agents who are registered with Mumbai Port for handling foreign ships, subject to compliance of conditions in the circular dated 22.08.2012.

3. You are requested to give wide publicity amongst your members to avail of the above facility.

Yours faithfully,

(GAUTAM DEY)
TRAFFIC MANAGER
