No.TM / 2-1/34

All Importers / Exporters

The President,
Mumbai & Nhava Sheva Ship Agents' Association

The President
Brihanmumbai Custom Brokers Association

Sirs,

Sub : Removal of packing material, pallets,
dunnage, metal strips/wires, etc.
from the Dock premises.

It is observed that many a times, the Importers while clearing their consignments leave behind the packing material, pallets, metal strips/wires, etc. in the Dock premises. Similar is the case of the Exporters, who leave behind the packing material, dunnage, metal strips/wires, etc. brought along with the export consignment for pre-shipment storage.

2. This leads to accumulation of unwanted waste which is not a healthy sight, thus necessitating aggregation of the packing material by incurring additional expenditure at a particular location. This packing material although listed for sale remains at the designated site for a protracted period of time and is thus a breeding ground for mosquitoes and potential fire hazard.

3. In view of the above, it should be ensured that all the Importers / Exporters on completion of delivery of consignment / shipment, invariably take along with them their packing material, pallets, dunnage, metal strips/wires, etc. outside the Dock premises.

Yours faithfully,

sd/-
(A.K. BOSE)
TRAFFIC MANAGER
