In continuation of this office Circular referred to above, a modified procedure for recovery of deposits towards estimated cost of repairs from the defaulters is furnished as under:

- (i) A deposit towards the cost of repairs on the basis of estimate given by the MbPT Engineer will be recovered from both registered/unregistered defaulters with an undertaking to pay balance amount, if any claimed by MbPT towards the short fall. The deposit paid by the defaulters will be adjusted towards the cost of repairs and balance if any will be refunded or/shortfall if any will be claimed from the defaulters.

- (ii) The defaulters registered with MbPT will have an option to get the damaged property repaired by the Contractors of MbPT on furnishing an Undertaking to that effect under the supervision and to the satisfaction of MbPT engineers from Civil Engineering Department & or Electrical & Mechanical Engineering Department as the case may be. In such cases, the defaulters need not pay refundable deposit towards estimated cost of repairs.

In case the defaulter refuses to pay the deposit towards the estimated cost of repairs, a Police panchnama will be held and the vehicle/equipment alongwith the driver will be handed over to the Police for further action. Further, Port facilities of the defaulter will be suspended.

The above procedure shall come into force with immediate effect.

Yours faithfully,
