Sirs,

Sub : Circular regarding attendance of Quarterly
Dock Safety Meetings.

This has reference of concerns raised by the Dy. Director, Inspectorate of Dock Safety (IDS) regarding low attendance of DSC members in the quarterly meetings of Dock Safety Committee. During 163rd meeting of Dock Safety Committee (DSC) the Dy. Director, IDS expressed dissatisfaction regarding low attendance of DSC members in the meeting. The Chairman of the DSC also emphasized the importance of full attendance for effective decision-making, particularly with regard to the safety of dock workers and directed all members of DSC to attend all the meetings of DSC.

Further, the Chairman of the DSC also directed to keep on sensitizing DSC members for attending meeting. Accordingly Safety Management Cell (SMC) is sending regular e-mails to the Port Users' Associations and sensitizing them for attending DSC meetings. However, it is observed that despite regular pursuance, the attendance from the Port Users' Associations for DSC meetings is far less than the desired levels.

In view of above, all the members of DSC / Trade / Port Users Association are hereby requested to attend the upcoming DSC meetings and participate actively in discussions for effective decision making on the issues concerning dock safety.

Yours faithfully,

(B.S. SHINDE)
