

Shri Vikas Verma, IRSME
Chief Vigilance Officer

Shri Vikas Verma has assumed charge as Chief Vigilance Officer, Mumbai Port Authority. He is an officer of the Indian Railway Service of Mechanical Engineers (IRSME), 2010 batch, and brings with him a rich blend of technical expertise, administrative experience, and leadership acumen.

Shri Verma is academically distinguished, having earned a Master of Engineering from Hokkaido University, Japan, and is a Gold Medalist in his Bachelor of Engineering programme. Further strengthening his leadership capabilities, he has successfully completed an advanced Leadership Programme from the Indian Institute of Management (IIM), Ahmedabad.

During his career in Indian Railways, Shri Verma has played an instrumental role in technology integration and standardisation of railway operations, contributing significantly to modernization initiatives and operational efficiency. His work has been marked by a strong focus on innovation, systems improvement, and transparent governance.

In addition to his railway experience, Shri Vikas Verma has served as Executive Director/FDDI under the Ministry of Commerce & Industry, Government of India. In this role, he played a pivotal role in the implementation of various schemes related to the leather and allied sectors, contributing to skill development, institutional strengthening, and sectoral growth.
