

MUMBAI PORT TRUST

MARINE DEPARTMENT

APPLICATIONS FOR OPERATING SPEED BOATS FROM FERRY WHARF TO MORA

Applications are invited from existing operators who are interested to replace their existing old launches with modern fast speedy launches and from new operators for operating speed boats from ferry wharf to mora for 3 new harbour craft licenses as per following specifications and conditions:

- 1) Should own/charter a speed boat as specified below.
- 2) The craft to be introduced should have a cruising speed of not less than 12 knots which should be certified by appropriate authority/surveyor.
- 3) The craft should have a luxurious seating arrangement with AC/Non-AC for a minimum capacity of 40 passengers.
- 4) The craft should be fitted with basic navigational equipment like VHF/GPS/RADAR/AIS.
- 5) After obtaining permission, the operator should commence service within 12 months or else the permission stands terminated.
- 6) Should renew passenger boat licence every year.
- 7) Licence will be terminated if the boat is not in operation on the sector for a continuous period of 12 months
- 8) Should comply with all the rules and regulations of the port as are applicable to their craft.
- 9) The last date for receipt of application is 04.04.2014
